## YEAR-END CELEBRATIONS

# IN 2025, WE LAUNCHED BERKBUSTER!

If you feel nostalgic for your neighborhood video store, then come visit the Berkley Library! Our media room got a new look- a throwback video store feel- called 'BERKBUSTER'.

“The tradition that families had of having a movie night, we hoped to re-create that atmosphere here,” Lisabeth Conger, Librarian, shares. “It has been really fun. And we definitely want to thank the Friends of the Berkley Library for seeing the vision and investing in our collections.”

Two new tv show collections and new movie night kits are now available for check out.

## NEW: VOX BOOKS!

Thank you to the Friends of the Berkley Public Library and Giving Tree donors for adding a Vox Books collection in 2025!

“Vox books have an attached reader for an all-in-one read-along,” Rebecca Stout, Youth Librarian, says. “Children simply push a button to listen and read!”

# SUMMER READING

**444 children** registered for the 2025 summer reading program & **read 12,582 days!** **61 teens** and **116 adults** registered! **4 bike prizes** were donated by the Berkley Masonic Temple.

# NEW STUDY ROOMS!

“You asked for them and now we’ve built them!” Matt Church, Library Director, shares. “We’ve received lots of requests for study rooms at the library over the years. Up until this time, it’s something we haven’t been able to offer. We’re thrilled to say two study rooms are now available to patrons!”

\*Construction began in 2025; study rooms were available for public use beginning 1/6/26.

A quiet study area is also available just past the study rooms. Next to the puzzle wall and seed catalog, large tables with chairs are located. Plush, comfortable seating is near the fireplace- perfect to cozy up with a book, magazine or newspaper.

## NEW: TONIES!

A huge thank you to the Friends of the Berkley Public Library for adding the Tonies to our collection in 2025!

Tonie boxes (screen-free audio players) and **75+** Tonies (characters that play stories, music, and learning) are available for checkout.
