ZONING BOARD OF APPEALS APPLICATION

The Zoning Board of Appeals (ZBA) meets the second Monday of the month. The meetings are held in the Council Chambers at City Hall, 3338 Coolidge Highway, Berkley, Michigan 48072.

The ZBA shall hear requests for use and dimensional variances, appeals of administrative decisions, interpretation of zoning map and text, and interpretations of commercial message for proposed murals.

****Please be advised:** The ZBA may grant a variance where undue hardship or practical difficulty for the property exist. A want or desire (bigger structure, more profit, etc.) is not sufficient grounds for a variance. The ZBA does not have the power to legislate or create new regulations. The Board's purpose is to provide some relief from the Zoning Ordinance depending on the unique circumstances of the property.

I. VARIANCE FROM ZONING ORDINANCE

Please provide a written response to each question below that relates to the variance that is being requested. **DO NOT COMPLETE BOTH SECTIONS.**

A. Use Variance

The Zoning Board of Appeals may grant a use variance (i.e. use of the land not permitted in a particular district) upon finding that an undue hardship exists.

Current Use of Property: _____

Requested Use of Property: _____

1. Explain how the building or land cannot be reasonably used for any of the uses permitted by right or by special land use permit in the current zoning district.

2. Explain how the need for the variance is due to unique circumstances or physical conditions of the property.

3. Explain how the proposed use will not alter the essential character of the neighborhood?

4. Explain how the need for the variance is not the result of actions of the property owner or previous property owners.

B. Dimensional Variance (Non-Use Variance)

The Zoning Board of Appeals may grant a **dimensional variance** (i.e. height, setback, lot coverage, etc) upon finding that undue hardship or practical difficulty exists.

1. Explain how the need for the variance is due to unique circumstances of physical conditions of the property.

Parking for this business is in the rear of the building. Signage is needed in the rear for this reason. There is an existing wall sign we want to update

2. Explain how the need for the variance is not the result of actions of the property owner or previous property owners.

Sign is existing and has been used by the previous tenant.

3. Explain how strict compliance with the ordinance will unreasonably prevent the property owner from using the property for a permitted purpose or will render conformity with those regulations unnecessarily burdensome.

Neighboring tenants have signage on the rear. It's required for customers to locate the business.

4. Explain how the requested variance is the minimum variance necessary to do substantial justice to applicant as well as other property owners.

The sign is inline with the other tenants locations.

5. Explain how the requested variance will not adversely impact the surrounding properties.

The sign is existing.

II. INTERPRETATION OF ZONING ORDINANCE

Provide Section numbers of Zoning Ordinance to be interpreted: _____

Please describe the request and what needs to be clarified or interpreted by the ZBA.

III. ADMINISTRATIVE REVIEW / APPEAL OF DECISION

Describe the circumstances of each case and provide the minutes of the public meeting noting the denial to be appealed.

IV. DETERMINATION OF COMMERCIAL MESSAGE (MURAL/WORK OF ART)

Describe the proposed mural/work of art. Applicant should include renderings of the proposed design. The ZBA shall determine if the proposed work contains a commercial message.

**** Applicant and artist must provide signed *Mural Installation and Maintenance Agreement* prior to the public meeting.**

SUBMIT THE FOLLOWING:

Provide 15 copies of survey, plot plan or site plan with this application that shows the subject property complete with boundary lines and dimensions, existing building locations, all proposed buildings, easements, utilities, and any site improvements/changes. Setbacks, height of structures, lot coverage, etc. should also be included, if applicable.

A PDF file of the application and supporting documents must also be submitted at the time of application.

PLEASE NOTE: The applicant, or a designated representative, **MUST BE PRESENT** at the meeting in which the case is being reviewed or the request may be postponed due to lack of representation.

We encourage applicants to make a presentation of the proposed request to the Zoning Board of Appeals, if applicable. To assist this effort, we have available for your use a projector, laptop computer and screen. ZBA meetings are recorded and televised.
