Need help paying property taxes?

Are your household resources at or below \$40,000 and are you:

- A Veteran or Veteran Widow
- Disabled
- At/Above 62 years of age

If the answer is yes to any of the above, please request and review the "Application for Deferment of Summer Taxes". This is not an exemption, but rather an extension to pay your taxes later in the year without incurring late fees.

Are your household resources at or below 150% of the federal poverty guidelines, and no more than \$35,000? If yes, please request and review the "Hardship and Poverty Exemption Application".

Are you a disabled veteran or the unremarried surviving spouse of a disabled veteran? If yes, please request and review the 'State Tax Commission Affidavit for Disabled Veterans Exemptions'.

If none of these options apply to you, please know there are more avenues for support. Oakland County and United Way both have more programs.
