

CET Agenda: June 11, 2025 | 6 PM, Council Chambers at City Hall

1. Call to order: 6 PM; present: Lynn, Tom, Caitlin
2. Role call/introductions
3. Motion to approve agenda
4. Citizen comment: none
5. Order of business:
 - a. Updates to our group (shared from Caitlin Flora, staff liaison)
 - Councilmember Black has been called to active duty, leaves this week. This means that we will have a new Council liaison appointed for our group, but not sure who that will be.
 - Our group needs to be codified with an ordinance, and that process is finally happening! Ordinances require two readings at Council meetings, then they go into effect 30 days after the second reading. We need to pause any appointments until that point, which will likely be September (first reading in July, second in August, 30 days lands in September). It may be helpful for members to attend at least the first reading; Caitlin will share that information!
 - Members agreed to pause meeting until September, but Caitlin will email if there are updates.
 - b. Dorothea Pocket Park
 - Something exciting that's happening very soon is the activation of the dead-end portion of Dorothea off of

Coolidge, next to Bombshell, into a temporary pocket park!
It's sort of a test to see what people like with the space and
if there are any issues that arise. Information about the
events is at berkleymi.gov/dorothea.

- c. July date switch
 - Paused until September anyway.

Meeting adjourned at 6:18 PM

Next meeting: September 10 at 6 PM in Public Safety Conference Room
